## Notice

\*Some beads shown on the card are dyed, galvanized or plated. The colors on the outer layers may come off, if rubbed, or if soaked in the strong solvent.

\*Those beads are marked at the name of articles and groups on the cards as below.

\*\*-----outside dyed colors, galvanized or plated      \*-----inside dyed colors

\*Silverline beads are oxidized while apply on certain fabrics that are acidic, they may decay or turn dark due to the chemical change. In order to avoid such case, neutralize your fabrics and threads before embroidering.

\*Due to the technical reason, the slight deviations in colors and sizes are allowed.
